2021 Tax Information

Enclosed is the 2021 Tax Form for your account in Bridge Builder Mutual Funds. The Form provides information on any applicable 2021 distributions and proceeds from redemptions. Please note that all information contained in this Statement has been provided to the Internal Revenue Service. In addition to the tax information provided on your enclosed Tax Form, below is supplemental information to assist you in preparing your 2021 income tax returns. Please consult your tax advisor if you have questions about any of the items below.

Income from U.S. Government Obligations

Some states do not tax their residents on income from a mutual fund that is earned from U.S. Government Obligations. The following table shows the percentage of total ordinary income dividends shown in Box 1 of your 2021 Tax Form that were attributable to interest earned from direct U.S. Government Obligations:

Fund Name	% of Ordinary Income Attributable to Direct U.S. Govt. Obligations (see Box 1)
Bridge Builder Core Bond Fund	11.76%
Bridge Builder Core Plus Bond Fund	12.27%

Depending on your state's personal income tax laws, you may be entitled to declare the above portion of your 2021 ordinary income dividends (Box 1) as tax-exempt income on your state personal income tax return. However, some states do not allow the "pass through" of this exempt-interest income unless the percentage earned from U.S. Government Obligations exceeds certain thresholds or unless other requirements are met. Please consult your tax adviser or state authorities if you have any questions about the percentage of income you can exclude when calculating your state income tax.
